15B. CONTRACTOR/OFFEROR		15C. DATE SIGNED		16B. UNITED STATES OF AMERICA		16C. DATE SIGNED	
_____ (Signature of person authorized to sign)				_____ (Signature of Contracting Officer)			

**M28.100 EVALUATION OF OFFERS (DESC SEP 2004)**

(a) Award of this contract shall be made by using source selection procedures. Proposals submitted in response to this solicitation should be prepared in accordance with the PROPOSAL FORMAT AND CONTENT clause and will be evaluated by a board of one or more Government personnel. Final selection shall be made by the Source Selection Authority based on an overall assessment of each offeror's technical and price proposals. Judgment on the part of the Government evaluator(s) is implicit in the entire source selection process. The resultant contract shall represent the best overall value to the Government.

(b) For purposes of this solicitation, price is approximately equal to the combined non-price factors (Factors 2, 3, and 4). However, as proposals become more equal in their non-price evaluation, the price becomes more important.

(1) **PRICE EVALUATION.** The Government reserves the right to award to other than the lowest evaluated offer. The low offer will be determined by computing the total cost to the Government for the four-year period of performance. This will be accomplished by multiplying the proposed monthly fixed price offered in LINE ITEMS 0001 through 0006 of the Schedule by 48 (months); plus estimated augmentation costs for the four-year period of performance. Augmentation costs will be calculated by multiplying each augmentation line item in 0008 by the estimated number of hours for each labor category then multiplying that total by 4 (years).

(2) **EVALUATION FACTORS.** Proposals will be rated and ranked against the evaluation factors listed below. Factors 2 and 3 are equal in importance and significantly more important than Factor 4. Subfactors A and B under Factor 2 are equal in importance.

<b>FACTOR 1</b>	<b>PRICE</b>
-----------------	--------------

<b>FACTOR 2</b>	<b>TECHNICAL PROPOSAL</b>
-----------------	---------------------------

Subfactor A	Number, size, age, condition, and quality of trucks and other equipment to be provided.
-------------	---

Subfactor B	Demonstration of understanding the operational requirements, including the adequacy of the manning plan to meet the requirements.
-------------	---

<b>FACTOR 3</b>	<b>PAST PERFORMANCE</b>
-----------------	-------------------------

The Government will evaluate the offeror's past performance. In doing this, the Government may consider information in the offeror's proposal and information obtained from other sources, including past and present customers and their employees, other subcontractors, and any others who may have useful information. Offerors lacking relevant past performance history shall receive a neutral evaluation for past performance.

A record of acceptable past performance will not result in a favorable assessment of an otherwise unacceptable proposal.

<b>FACTOR 4</b>	<b>SOCIOECONOMIC SUBCONTRACTING</b>
-----------------	-------------------------------------

The Government will evaluate the offeror's commitment to subcontracting with small, small disadvantaged and women-owned small businesses, or historically black colleges/universities or minority institutions on this contract.

(c) After each evaluation, each of the non-price factors described in (b)(2) above will be given one of the following ratings:

- (1) Exceptional.
- (2) Very Good.
- (3) Satisfactory.
- (4) Marginal.
- (5) Unsatisfactory.

Proposals may be rated differently within each category, i.e., two proposals may receive an exceptional rating, but one may be more exceptional than the other.

**F1.25-1 PERIOD OF PERFORMANCE (AARD) (MULTIYEAR) (DESC APR 1994)**

The performance periods for all line items will be--

1st April 1, 2005 through September 30, 2005

2nd October 1, 2005 through September 30, 2006

3rd October 1, 2006 through September 30, 2007

4th October 1, 2007 through September 30, 2008

5th October 1, 2008 through March 31, 2009

(DESC 52.242-9F95)
